

Pine Trail Camp presents Creative Picture Making Workshops by Jim Connelly

# STILL LIFE OIL PAINTING

## MASTERING LIGHT & COLOR

For Beginner to Intermediate Level Painters • Friday May 19, 9AM- Saturday 5PM

The class will be covering the fundamentals of still life oil painting with an emphasis on light and color. It is Jim's belief that it is by mastering basic principles that an artist becomes capable of creating quality art. Learning to see light and color in everyday objects is the foundation of learning to paint anything. Class size is limited to 15 students so that you will get the personal attention needed to get the most out of the class. Students will learn:

- To See Color Accurately
- To Create Color Harmony
- To Understand Value
- How to Stay Motivated
- To Develop Good Habits
- How Light Defines Form
- The Psychology of Art
- To Paint With Passion
- Direct Painting Technique
- How to Gain Confidence

### FOOD & LODGING

Pine Trail Camp will be providing camp-style lodging for men and women with bathrooms in cabins. The McWherter Dining Hall onsite provides made-from-scratch meals, from specialties like pulled pork bar-b-que to home made pies. The kitchen staff provides a great camp dining experience.

The camp sits on the banks of the Kalamazoo River nestled right between Downtown Saugatuck and the shores of Lake Michigan and Saugatuck Dunes State Park. Spring at Pine Trail is a picturesque time of year when the boat traffic is low, but the waters are calm and the sun still warms the shoreline.
